WELCOME MESSAGE FROM THE PRESIDENT

Dear Colleagues, on behalf of the Malaysian Sterile Service Association (MSSA), it is our honour and pleasure to invite all of you to the Bayview Beach Resort, Penang for MSSA 31st Conference & Exhibition 2026.

With the theme *"Education is the Core of Sterile Success,"* this event highlights the vital role of knowledge, competency, and continuous learning in strengthening sterile services and ensuring patient safety. In an ever-evolving healthcare environment, education remains the foundation that empowers professionals to meet challenges, adopt best practices, and drive excellence in sterilization and infection prevention.

This conference serves as a platform for sharing expertise, exchanging ideas, and fostering collaboration among professionals dedicated to advancing sterile processing standards. I am confident that the sessions, discussions, and shared experiences will inspire growth and reinforce our collective commitment to quality and safety.

Finally, I would like to express my gratitude to the Ministry of Health Officials, Directors of Private Hospital, Corporate Members and all members for their continuous support. I also extend my utmost appreciation to the committee members who have given much time and energy in making this Conference success.

Thank you for being part of this meaningful journey. I wish you a productive and rewarding conference.
